CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Shortages Of Cars And Labor Make Harvesting Tough Deal For Farmers

Now it is a labor shortage as well as a car shortage that is putting a crimp in vegetable harvest here at the peak of the season on Lake Okechobee. Last fall it was high water, then later came a series of frosts that wiped out the crops. With perseverance and a tenaciousness unequalled the farmers finally have brought a crop to harvest with the result that hundreds of acres must remain unharvested.

One large grower said last night that the labor shortage is costing the Lake Region farmers thousands of dollars daily, to say nothing of the fact that transportation by rail is hampered by the car shortage.

Green bean shipments ranged Wednesday from \$1.90 per bushel to \$4.00 for fancy offerings. Cabbage ranged in price from \$1.15 to \$1.25 per bag.

Celery shipments in the Pahokee area were light this week, but in the Belle Glade section prices have rallied some, ranging from \$2.25 to \$2.50 a crate.

Sweet corn shipments are increasing in volume and the quality of the spring crop is good. Percentage grades bring from \$2.25 to \$3 a crate and U. S. No. 1 \$3.25 a crate.

The labor situation has boosted the price of bean picking and field labor. Growers are paying from 90 cents to \$1 a hamper for bean picking and \$6 to \$8 a day for farm labor.

TB Specialist Will Speak WPB April 5

One of the nation's outstanding specialists in tuberculosis control, Dr. Henry C. Sweeney, now chief medical director for all Florida State Tuberculosis Sanatoria, will be a principal speaker at the forthcoming annual meeting of the Florida Tuberculosis and Health Association. The two-day conference will be held at West Palm Beach, April 5-6, announced Dewey Knight, prominent Miami attorney and president of the Association.

Dr. Sweeney will speak at the opening session of the Conference. He will discuss Florida's plan of treatment of tuberculosis, including a report on new drugs (streptomycin, paraaminosalicylic acid, ACTH, cortisone and others), which are giving people stricken with TB a new lease on life. These and new methods of surgery, authorities declare, are bringing more TB cases back to normal living and are changing the treatment of TB and the whole tuberculosis control program.

Prior to accepting the Florida position, Dr. Sweeney was for 30 years director of research and laboratories at the Municipal Tuberculosis Sanatorium in Chicago.

Dr. Sweeney will present new (continued on page 8)

\$18.25 Bushel Paid For Cucumbers On Pompano Market

POMPANO BEACH—Mar. 28 Grade A cucumbers sold at the farmers market here for \$18.25 a bushel. Manager J. L. Warren says he believes the highest price ever paid before was \$18. A shortage caused by cold weather was given as the cause of the record price.

Leonard Dobrow Is Pahokee Lion Pres.

Leonard Dobrow, theater executive, was chosen president of the Pahokee Lions Club at the annual election of officers held during the luncheon meeting Tuesday.

Other new club officers elected were James W. Vann, first vice president; Ralph Johnson, second vice president; Gil Gaibaldon, third vice president; John Sutterfield, lion tamer; E. D. Sims, Jr., tall-twister; R. J. Schroder, secretary; Jean Bacon, treasurer; M. P. Stanley and D. S. Spooner, directors with two-year terms of office.

A motion was passed to have all newly elected officers assume their duties of office immediately.

M. P. Stanley, boys and girls club committee chairman, reported his committee has raised \$54.50 to cover the expense of sending a member of the Pahokee School Safety Patrol to Washington, D. C., in May.

Pahokee residents were reminded that they must re-register in order to be eligible to vote in the next city election May 8th and the club went on record urging all potential voters to register immediately.

Canal Point Lions Change Meeting Place

Starting Monday, April 2, the Canal Point Lions Club will conduct all regular meetings in the new Community Building at the County Park in Canal Point, according to plans announced during the club's dinner meeting Monday night.

Since the club was organized a little over two years ago it has been meeting in the educational building of the Canal Point Methodist Church. A resolution was passed Monday night thanking the church for the use of its fine building and also thanking the various groups of women who have prepared so many delicious meals at the club meetings.

President Boyd Vorhees called upon chairman of standing committees for reports of club activities and achievements during the past month.

Pahokee Band Gets Superior Rating In Three Categories

Bandmaster Robert O. Lampi's Pahokee High School Band won the highest honors, a superior rating in all three categories, concert playing, sight reading and marching at the District One Inspection Contest held at the high school Tuesday. This rating qualifies the 44-piece Pahokee Band to participate in the State Band Contest in St. Petersburg, May 3-4-5.

In student conducting Sidney Caruthers received a superior rating and Myra Lee Cruthird and Willard McCurdy were given a rating of excellent.

Judges were Roy Wood of Winter Haven, P. J. Gustaf of Sebring and V. D. Sturges of Sarasota. Some of the judges' remarks: "Pahokee should be very proud of this musical organization — a good sounding band—shows good training—has fine appearance and spirit—good marching style."

Donna Jo Spooner and Judy Starling were to take part in the baton twirling contest scheduled to take place in the Palm Beach High School on Wednesday of this week at 5 p. m. The judging of the soloists was scheduled for Thursday at 7:30 p. m. in the same auditorium. Those planning to take part in the solo contests were Charles McCurdy and Dickie Atkins, clarinet; Willard McCurdy, trombone; Margaret Shirley, Carolyn Scruggs and Carol Carpenter, piano; Mil-

County Board Will Seek Passage Of Proposed Bills

The Palm Beach County Commission, headed by Chairman Paul Rardin of Canal Point, has made final plans for proposed legislation which will be presented during the coming session which convenes in April.

Chairman Rardin, on Monday, was named to represent the county board at a meeting of the State Association of County Commissioners which is being held at Jacksonville. One of the important conferences of the association, which is also headed by Mr. Rardin, will be a meeting of the group legislation committee to draft final plans for bills which will be sponsored by the association.

Reports heard by the board this week, included a recapitulation of State Road Department action at its recent budget session. The report was given by Rardin who said that an early start on the construction of a number of road projects in the county had been indicated by the SRD. The commission chairman reported that all the projects proposed in the tentative budget had been included in the permanent budget.

Other actions by the board this week included:

Referred to County Attorney Harry Johnson and Asst. Auditor R. B. McKee, for study and recommendation (continued from page 1)

Rardin 6 Years Ahead Of RDB Request For Designation Of Road

Rardin Will Speak To South Bay PTA Monday Evening

County Commission Chairman Paul Rardin will speak to members of the South Bay PTA at the regular monthly meeting scheduled to be held next Monday night. Chairman Rardin will speak on the county welfare program in Palm Beach County.

Bids Received For New Pahokee Dock

Port of Palm Beach District Commission Friday afternoon opened five bids for construction of the timber dock at Pahokee. Bids for the complete dock ranged from low of \$28,200 to \$48,926.

Two lowest bids: Trieste Construction Co., Delray Beach, \$28,200 for the complete dock and \$25,187 without a wave screen against rough water; and Florida Erecting Co., Inc., Miami, \$30,265 and \$27,395.

The commission voted to refer the bids to Port Engineer H. M. Tschirgi for study and recommendation at Friday's meeting.—Palm Beach Post.

The Pahokee City Council entered an agreement with the Port Commission making the city responsible for the removal of the dock's wave screen in advance of threatening hurricanes, also the city to take all necessary precautions to protect the dock from damage and report immediately any need of repair. This work will be under the supervision of the city's street department.

It was announced the swimming pool in the city park is being made ready to open for the season on April 14.

City Clerk Clyde Alley was instructed to add a penalty of 50 cents to delinquent water bills, the delinquency to start on the eleventh day following the month the water is billed for.

It was announced voting machines will be used as an experiment in the city election of May 8. April 27 is the deadline for candidates to qualify and voters to register for this election. It was pointed out at the meeting that all residents must re-register in order to be eligible to vote in this election. Approximately 500 have re-registered to date.

Rev. and Mrs. Ralph W. Todd and daughter, Diane, of Pahokee, Rev. and Mrs. Earl J. Jones and children and Rev. Jones's parents, Mr. and Mrs. J. L. Jones, of Canal Point attended a Glades Ministerial Association meeting in Clewiston Monday night.

At a Tuesday night meeting of the Resources Development Board in West Palm Beach it was voted to ask the legislature to make Bolles canal road (South of South Bay) a state road. On Wednesday County Commission Chairman Paul Rardin sent the RDB group a telegram of information explaining that Bolles Canal Road has been designated a state road for many years with improvement work already going on under Rardin's direction.

Rardin, stated Wednesday that he has sent a telegram to Frank Frazier, president of the Resources Development Board, informing that organization that Bolles Canal Road is now State Road No. 827. Mr. Rardin's telegram to Mr. Frazier:

"Note in newspapers today that your group plans to have Bolles Canal Rd. in Everglades section of Palm Beach County designated as a State road. For your information this particular road was designated as a State road from Miami Canal to Hillsboro Canal at Six-Mile Bridge by (a) Chapter 19054 and 19052, acts of the 1959 Legislature, and (b) Chapter 23144, acts of the 1945 Legislature, with later designation being requested by me.

"Bolles Canal Rd. is now known as SR 827, and just last week a reconstruction contract from Okeelanta east for a distance of one and two-tenths mile was completed by the SRD under the seventh cent gas tax set-up, which provides that County Commissioners designate road improvements, which I did in this particular case. You may be interested to know that in the 1951 secondary SRD program I have requested that Bolles Canal Rd. reconstruction be continued for another one and one-half miles east to a point to intersect with a County road running South from Vinegar Bend."

Harold Rosenberg New Rotary Pres.

Harold Rosenberg, was elected president to the Pahokee Rotary Club at the annual election of officers held at the Thursday luncheon meeting last week.

Other new officers elected were Elmer Jones, vice president; Clyde Alley, secretary-treasurer; C. L. Shirley, Joseph Kahn, Ellsworth Keen and Gene Pickren, directors Claude L. Shirley is the retiring president.

Guest speaker at the meeting was Rev. W. H. Reed, pastor of the First Baptist Church in Clewiston.

Mr. and Mrs. J. B. Frasure spent the weekend with their son-in-law and daughter, Mr. and Mrs. R. L. Brooks, in Pahokee. Enroute back to their home in Fort Lauderdale Mrs. Frasure suffered a heart attack and was taken to Good Samaritan Hospital in West Palm Beach for treatment.

News Notes From State Capital

TALLAHASSEE—Hot fires still are burning on the state welfare question as the 1951 Florida legislature prepares to meet here April 8. Led by such outspoken members as James A. Haley of Sarasota, many are expecting to make a bid for opening the welfare rolls to inspection, to curb the care of illegitimates, to make fathers of such children more responsible, to put liens on property of oldersters and to make children support their parents when able. Another hot fire has been built by organized registered nurses of the state. They want a state board, thus attacking the practical nurse and closing the gates in Florida to personal practice by nurses from other states. Members of the legislature so far are reluctant to discuss Representative Charles O. Andrews' wholesale reorganization of state government, cutting 127 boards, etc., to 27. At bay on the proposal is the entire state set-up, led by the cabinet, which sees in the Andrews plan a serious threat to much patronage. Under the plea of wiping out black market baby possibilities, a bill will be introduced requiring all babies offered for adoption to come through licensed child placing agencies. Dade county proposes a central bureau of investigation, to tie all police and sheriffs together in hunts for major criminals. Rep. Alex MacWilliam is recovering from illness at Vero Beach, plans to establish

state-wide speed limits for automobiles. Rep. D. C. Jones, Collier, may be late getting to the session, due to possible operation. In the neighboring county of Lee, Earnest Mitts has taken the place of the late Scott Hough, one of the authors of the proposed new insurance code. Senators Shands, McArthur, Pearce and Cray have met to decide how to tighten up the sales tax law, bring in more money and yield less pain. Senator Shands was put to bed by his physician shortly after to recover from exhaustion brought on by his work on pending legislation.

More small claims courts are coming into being, as a result of pressure from merchants and leading agencies. They can reduce small accounts to judgement at small cost, without hiring attorneys. Small creditors suffer more than they do now, under more formal legal proceedings.

TALLAHASSEE—A threatened strike at Florida State University cooled off into an apology from the heads of 13 fraternities to Dr. Frank S. Campbell. The students picketed against being denied the use of the main dining hall for an inter-fraternity dance. In their letter of apology, the frat heads said there was nothing personal against the president in their picketing activities.

TALLAHASSEE—Sam D. May of Washington county (Chapley) has been suspended as county judge, following charges of drunkenness and a hearing before Governor Warren. The suspension will be reviewed by the state senate in its April-May meeting. He admitted to several accusations of drinking but his defense was that it did not interfere with doing his duty. He is the 24th county official to be suspended in the last eight months.

IN THE COURT OF COUNTY JUDGE,
PALM BEACH COUNTY,
FLORIDA.

IN RE ESTATE OF
JOHN WILLIAM BARRETT,
Deceased.

NOTICE OF FILING PETITION FOR FINAL DISCHARGE OF EXECUTRIX
Notice is hereby given that I have filed my final returns as executrix of the my final returns as executrix of the estate of John William Barrett, deceased; that I have filed my petition for distribution and for final discharge, and that on April 20, 1951, I will apply to the Honorable Richard P. Robbins, County Judge of Palm Beach County, Florida, for approval of said final returns and for an order of distribution and for final discharge as executrix of the will of John William Barrett, deceased.

March 26, 1951. Edna Thomas Barrett,
Executrix
Pub. Mar. 30, Apr. 6, 13, 20, 1951.

TALLAHASSEE—News coverage for the United Press will be directed at the legislative session by James W. Russell, who came here from Miami to succeed John Courie, advanced to the Washington Bureau. Russell is an air force veteran, and for five years has worked for International News Service.

TALLAHASSEE—Price fixing by law is back in the Florida Supreme Court, as Calvert Distillers accused Ben Greene of St. Petersburg of cutting prices. A 1939 law which allowed manufacturers to set minimum prices was ruled unconstitutional, and a 1949 version has now been argued before the court.

TALLAHASSEE—With cabinet members and Governor Warren more determined than ever to prevent tax increases, the cabinet nevertheless gave schools of Florida a final \$15,419,000, enough to put them in the clear for this year.

Total cost of common school education for one year is more than \$50,000,000. State School Superintendent Tom Bailey said this amount, although slightly less than the amount promised by the 1949 legislature, will fulfill school needs because of frugality at the county level. Comptroller C. M. Gay said all state bills have now been paid and there is a balance of 10 to 19 million dollars in the treasury.

CARD OF THANKS

I wish to take this opportunity to thank my many friends for their thoughtfulness, for the cards and pretty flowers I received during my recent illness, while I was in the Pahokee Hospital and also recuperating at home.

TELEPHONE EXPANSION

is paid for by

INVESTORS

... not by Telephone
customers

More facilities, more investors' dollars, are required to meet
Florida's need for more and better Telephone Service

WHEN you see telephone construction under way in Florida, you see investors' dollars at work. These dollars and the expanded service they make possible are important to you as a Floridian.

They mean a growing, a more prosperous Florida. They mean that telephone service—with all that it means to personal convenience and to business success—will be available to still more of the people you know... and the people you need.

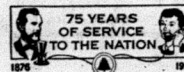

You'll be able to reach more friends by telephone, and more can reach you. Should you move to another neighborhood or another Florida city, you'll be more likely to find telephone service there.

In just the last five years, telephone expansion in Florida has cost the Company \$105,000,000. This is nearly twice as much as we had invested in the state at the end of 1945.

These millions of dollars did not come from the monthly service payments of Florida telephone users. This money had to be secured from investors who were willing to invest their savings in the telephone business rather than in some other business.

There's a big job still to be done, as Florida's growth continues to break records. It's a job that will call for still more millions of dollars from investors. That's why telephone rates and earnings, adequate to attract investors, are a matter of importance to every citizen who has a stake in the growth and progress of Florida.

Slim And His "Ali Species"

Slim Baker, who's always doing something crazy, had a lot of people milling last week because his entry won a ribbon in the Women's Club Annual Pet Show.

Seems as though Slim saw a strange-colored alley cat with no tail over at Central City and brought it home. He washed, combed, and brushed it and put a collar on it with a card reading "Ali Species." Then he enters it in the show.

Hanged if the ladies didn't think it was some rare kind of cat and gave it a special award! When

one of them asked Slim where she could get one like it, he said, "It's all yours, Mam—I can get an 'Alley Cat' anytime I want!"

From where I sit, some of us are pretty easily "taken in" just because someone else says it's so. Whether it's awarding prizes or passing judgment on a person's right to enjoy a temperate glass of beer—let's take a good look from stem to stern, and learn what it's all about before making up our minds.

Joe Marsh

County Board Will—

(continued on page 3)
mendation, a request from a Belle Glade peace justice that the commission pay a \$51 bill for office supplies and equipment.

Received and filed a request from the Circuit Clerk of Okeechobee County that additional gas and fuel oil tax be levied for the purpose of raising more funds for road construction and maintenance.

Heard a report from Commissioner Ben Sundry that delivery of steel for the Atlantic Ave. bridge in Delray Beach was assured by July 1 and that the State Road Department would be asked to start work on the bridge next week.

Decided to explore the possibility of what action, if any, could be

taken in the case where a contractor failed to finish a road project in the allotted time. Commissioner Kenneth Foster reported that the Ewell Construction Company of Lakeland had used up the 270 days allotted for a North Military Trail project and that the road was still not completed.

Decided two county-owned lots in Lake Worth to that city for possible use in expanding facilities of that municipality power plant.

Authorized a committee of Commissioner John Prince, County Attorney Harry Johnston, County J. M. Boyd and the county right-of-way engineer to work out settlement with property owners whose improved lands stood a chance of being damaged in construction of a new section of A1A between Lantana and Lake Worth.

Voted to disclaim interest in a suit being filed by the West Palm Beach Water Company in which the company is asking cancellation of a number of tax certificates. The board voted to withdraw from the litigation providing no lands needed for county right of way were involved in the suit.

Leo Maxwell Is Winner Photo Contest

Mrs. Ruth L. Sheppard executive secretary of the Palm Beach County Tuberculosis and Health Association, announced that Leo Maxwell was the winner of a ball point fountain pen as a result of a contest held during the recent Pahokee Bean Festival. The contest put on by the association at the recent fair required that you name six persons from a group of nine pictures displayed who had tuberculosis. A total of 163 ballots or entries in the contest were filed at the booth and the only person to correctly name all six was Mr. Maxwell.

Palm Beach County's Delegation In 1951 Legislature

HON. B. ELLIOTT
Speaker of the House
Pahokee

HON. RUSSELL O. MORROW
State Senator
Lake Worth

HON. JOHN E. BOLLINGER
State Representative
West Palm Beach

Pictured above are the three men who will handle Palm Beach County's interests in the forthcoming session of the 1951 legislature, scheduled to be convened next Tuesday, April 3. Hon. B. Elliott, Speaker of the House of Representatives, has represented Palm Beach county in the lower House for many years as has the county's other Representative, Hon. John E. Bollinger. State Senator Russell O. Morrow served several terms in the House before he was elected last fall in an unprecedented write-in election to fill the unexpired term of the late Hon. John R. Beacham. All three men are well versed in legislative procedure and Palm Beach County's interests are in safe hands in the forthcoming session.

Leadership Training School For Pahokee

A Leadership Training School for the seven Methodist Churches bordering Lake Okeechobee will be held at the Pahokee First Methodist Church April 8-11, according to an announcement by Rev. Earl J. Jones, pastor of the Canal Point Methodist Church, who has been fully accredited as dean for the school.

There will be classes for the primary and intermediate age groups as well as work for other youth. Dr. W. V. Meredith of Lakeland, Florida Conference executive secretary of the Board of Education and Mrs. W. C. White of Okeechobee, District Director of Children's Work, will be on the staff of teachers.

Classes will convene each evening at 7:45 o'clock.

Jeanette Mathis Is In D. A. R. Contest

Jeanette Mathis has been selected at Pahokee High School as a candidate for the annual Daughters of America Revolution Citizenship Award. She has received a pin and certificate from the D. A. R., a national organization, and has written an essay on "Citizenship in competition with D. A. R., citizenship candidates from other schools.

Miss Mathis, a Senior at Pahokee High School, is business manager of the 1951 annual and assistant editor of the school's newspaper.

Coach Shows Devils Big Time Net Game

On Monday night Coach Jim Maynor took a group of Pahokee High Blue Devil basketball players to Miami to see the famed Harlem Globe Trotters play the Kansas City All-Stars. Players enjoying the trip and game were Danny Mullis, Tommy Elliott, Carnay Wilder, Robert DeLoach, Farris Kincaid, Harry Levins and Lewis Pope.

Mrs. Gordon Jacquiss and son, Gordon, Jr., have arrived from Venezuela for a visit with her brother and sister-in-law, Mr. and Mrs. Thomas Handley, in Pahokee and her mother, Mrs. Pearl Handley, in West Palm Beach.

Enjoy the Spring Months
in FLORIDA

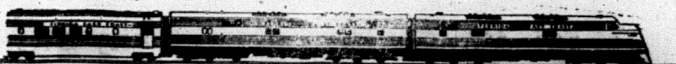

Fine Trains
Available All
Spring & Summer

Why return North to uncertain weather—mud, slush and possibly a case of flu—just because the calendar says it's spring.

In Florida you can depend upon the spring months being the most delightful of the year—warm sunny days, fragrant flowers, and temperatures just right for comfort. Golf, bathing, suntanning, fishing and other outdoor diversions are then at their best.

As for travel facilities, you do not need to hasten your departure on that account. Finely equipped trains to both the East and Mid West are available over the Florida East Coast Railway throughout the spring and summer. In fact, later in the season you will find trains less crowded, accommodations easier to secure.

So plan to stay longer this year in Florida, and wait until it is really spring in the North.

County To Get \$2,000,000 In 1951 State Road Projects

Palm Beach County is assured of an extensive road and bridge building program in 1951, involving nearly \$2,000,000 in projects, the State Road Dept. having approved the major portion of a proposed program submitted by the County Commission to SRD earlier this year, according to Commission Chairman Paul Rardin, Canal Point, who attended the SRD 1951 budget meeting held in Jacksonville last week.

Others attending the session Wednesday were Commissioners John Prince, Lake Worth; Kenneth P. Foster, city; Ben F. Sundy, Delray Beach; County Attorney Harry A. Johnston; and County Engineer J. M. Boyd.

Mr. Rardin said that engineering work is already in progress on several projects and that right-of-way is being secured on at least two new locations for State roads. He said the entire board is enthusiastic over projects for the 1951 SRD building program in Palm Beach County, which includes a number of primary and secondary road system projects.

Projects approved in the primary system include:

Retreading Federal Highway No. 1 (existing road base) through Lake Worth for a distance of three miles, north from 5th Ave. to WPB Canal.

Construct steel deck on Olive Ave. bridge over West Palm Beach Canal.

New bridge on SR 80 at Lake Harbor to replace old drawbridge. Grade and pave US 1 from Jupiter Rd. to Martin County line to a width of 40 feet with the same job continuing into Martin County to Olympia Overpass.

New bridge at South Bay on SR 80 to replace old drawbridge. Relocate US 1 north of Juno Beach for a distance of 1 mile.

New bridge at Six Mile Bend on SR 80 over Hillsboro Canal.

Construct steel deck on Dixie Hwy. bridge over West Palm Beach Canal.

Construct two miles of new road along east shore of Lake Worth between City of Lake Worth and Lantana.

Rebuild 4,000 feet of Singer Island Rd. from intersection with US 1, south to existing pavement.

Resurface 13 miles of State Rd. 80 from Six-Mile Bend to Twenty-Mile Bend.

Widen State Rd. 80 from Loxahatchee to Military Trail for a distance of 13 miles.

Replace wood deck on bridge over Hillsboro Canal at Belle Glade with steel deck.

Construct new bridge at Canal Point to replace existing bridge over West Palm Beach Canal.

Construct steel deck on draw span on Lake Worth Bridge across Intercoastal Waterway, replacing wood deck.

Repave one-half mile of Farmer's Market Rd. from Pahokee State Farmers Market to intersection with Pahokee-Canal Point Road.

Construct new grade from SR 80 east of South Bay north through Chosen and Belle Glade to connect with SR 717 at Bacom Point.

Total estimated construction for the county next year, Rardin said, is well over \$1,500,000 in the primary road system.

Projects in the secondary road system with an estimated cost of more than \$350,000 include:

Commission District One — Re-grade and pave 54th St. from the end of present project near the County Home east to Pinewood Ave. This will make a continuous improvement and connection for North West Palm Beach with Military Trail.

District Two — Grade and repave a connection from Belvedere Rd. west of Seaboard Railroad, with Australian Ave. providing a short-cut traffic route from the west into West Palm Beach.

District Three — Grade and repave Congress Ave. from Lake Worth Rd. south to Lantana Rd.

District Four — Grade and pave

one mile of West Boynton Rd. starting at Military Trail and running west.

District Five — Extend recently rebuilt Bolles Canal Rd. east to intersection of County Rd. south from Vinegar Bend.

Grade and pave road along township line from Bacom Point Rd east to intersect Pahokee-Belle Glade Rd. at Cardwell.

Projects in the secondary system, Mr. Rardin said, are to be financed out of the seventh cent gas tax which the county receives.

Cruthird - Johnson

Miss Jeane Cruthird, daughter of Mr. and Mrs. J. W. Cruthird of Salerno, formerly of Pahokee, became the bride of Harold A. Johnson, son of Mrs. H. A. Johnson of Starke, at a double ring ceremony held at the Pahokee First Methodist Church Wednesday, Mar. 21, at 6 p. m., with Rev. Ralph W. Todd, pastor of the church, officiating.

A program of nuptial music was played by Miss Rita Faye Hurt, organist. Chandler McIlwain, vocal soloist, sang "Because" and "The Lord's Prayer," accompanied by Mrs. Mildred Todd.

The bride, given in marriage by her father, wore a white gabardine suit with white accessories and carried a white prayer book centered with a white orchid.

Miss Myra Lee Cruthird, sister of the bride and maid of honor wore a navy blue suit with pink accessories and a corsage of pink carnations.

Lewis Friend, uncle of the bride, was Mr. Johnson's best man. C. C. Cruthird, also an uncle of the

bride, and Edwin Rice acted as ushers.

Immediately following the ceremony the couple left for a wedding on the Florida West Coast.

Mr. Johnson is with the U. S. Navy stationed at San Diego, Calif. He expects to be transferred to Washington in the near future. Mrs. Johnson, a registered nurse at the Alachua County Hospital, Gainesville, plans to join her husband later in Washington.

Contest Winners Named In Spelling

At the annual Spelling Bee held at Pahokee and Canal Point Schools last week Evangeline Tillman, seventh grade, was winner at the Canal Point School and Dow McClelland, also a seventh grade pupil, was runner-up. At the Pahokee School Jerry Rutheford, eighth grade pupil, outspelled all of his classmates to win first place and Darother Rushing, seventh grade, was runner-up.

The winners at the two schools will compete in the County Spelling Contest in West Palm Beach on April 7. The winner and runner-up in the County Contest will take part in the South Florida Contest in Miami preliminary to the National Spelling Bee in Washington, D. C.

NOTE OF APPRECIATION

To the many friends who visited us during our sickness in the hospital, for the many cards and beautiful flowers. Also, for the delicious food sent to us after we returned home. We shall ever be grateful.

Dr. and Mrs. L. W. Armstrong

Demonstration Clubs Achievement Day

Fourteen Palm Beach County Home Demonstration Clubs will stage the annual Woman's Achievement Day May 5 at the county courthouse in observance of National Home Demonstration Week April 29-May 5, according to Miss Sara Horton, county home demonstration agent.

The exhibits and displays will be set up in the courthouse basement, and the afternoon program will be held in one of the courtrooms, Miss Horton said. The County Commission Monday gave authorization to use the basement and rooms.

The day-long affair will carry out the NHD Week theme, "Today's Home Builds Tomorrow's World", Miss Horton said. She explained it is staged annually to show the public what the club members throughout the county do.

Special highlight will be a talk by Miss Bonnie Jean Carter, Tallahassee, State Home Improvement specialist.

Members will exhibit home-produced foods, such as eggs, butter and vegetables; home-improved items, such as refinished furniture; baked and canned goods; a clothing review, with types of dresses ranging from cottons under \$2 on up; craft-work; renovated clothes and children's clothes, including mother-child ensembles, play-clothes etc.

Guthries Celebrate Fifty Years Married

Mr. and Mrs. I. S. Guthrie, Pioneer residents of Pahokee celebrated their 50th wedding anniversary at a family reunion and dinner party given by their children and families at their home on Bacom Point Road Saturday evening.

The centerpiece for the table was a large three tiered anniversary cake.

Those attending were Mr. and Mrs. William Guthrie and family of Miami, Mr. and Mrs. Norwood Guthrie of Miami, Mr. and Mrs. R. L. Guthrie of Delray Beach, Mrs. Bill Adams of Miami, Mr. and Mrs. Leon Guthrie and daughters, Mr. and Mrs. C. R. Wetherington, Jr., Mrs. J. W. Guthrie and daughter, Mrs. Olive Levins, Mrs. Jimmy Merrell and Dr. and Mrs. D. S. Spooner, all of Pahokee.

Junior And Senior Banquet And Prom In Park Building

The Pahokee High School Junior Class has selected the handsome new community building at the County Park in Canal Point as the scene for the annual Junior-Senior Banquet and Prom to be held on the night of April 20.

Following the banquet there will be a 30-minute intermission to clear the floor of tables for dancing which will start at 9 p. m. and last until 1 a. m. A new feature of the annual affair will be the crowning of a king and queen of the prom, the selection to be made from members of the Senior Class.

Mrs. J. R. York Speaks At Woman's Club

"For What are We Being Educated?" was the subject of a talk given by Mrs. J. R. York at a luncheon meeting of the Pahokee Woman's Club Tuesday. Mrs. York is assistant principal at Pahokee High School and chairman of the club's literature and education committee. She was introduced by Mrs. V. L. Geiger.

Members brought to the luncheon pieces of art which were exhibited under the direction of the fine arts committee and the artistic qualities of each piece were discussed.

Mrs. Leon Spooner reported a total of \$397.13 was collected in the recently completed March of Dimes campaign which was conducted in the Pahokee area under the sponsorship of the club. Mrs. G. H. Tucker reported the club netted \$157.95 from its food booth at the Bean Festival.

It was announced the County Federation meeting will be held in Pahokee on Tuesday, May 8, instead of May 1, as originally scheduled. This change in date was made in response to a request by Mrs. Frank Friend, County Federation president. Mrs. Doris Sims was introduced as a guest.

Vacation Bible Institute Planned

Mrs. Earl J. Jones announces a Vacation Bible Institute for the West Palm Beach District of Methodist Churches will be held in the First Methodist Church, West Palm Beach, Friday, Apr. 6, from 10 a. m. to 3 p. m.

Mrs. W. C. White of Okeechobee, District Director of Children's Work, will head a teaching staff composed of Mrs. Paul Moyle of West Palm Beach, kindergarten; Mrs. Earl J. Jones of Canal Point; primary; Mrs. Esther Yelding of Fort Lauderdale, junior and Miss Edith Goodwin of Fort Pierce, director of religious education and intermediates.

All teachers and workers who plan to take part in Vacation Bible School work this summer are urged by Mrs. Jones to attend this Institute. Lunch will be served at a cost of 75 cents per person and reservations should be made four days in advance.

Mrs. O. M. Murphy Honored At Shower

Mrs. E. C. Johnson entertained at her home on Thursday evening of last week with a surprise party and stork shower in compliment to Mrs. O. M. Murphy.

The hostess made use of snapdragons and rose buds in pastel hues in carrying out a color scheme of pink and white in decorations. The refreshments table covered with a lace cloth and lighted with pink tapers, had as a centerpiece a music box in the form of a miniature merry-go-round which was decorated with white flowers and softly played lullabies.

The gifts were presented to the honoree in a pink and white basket with a miniature stork perched on the handle.

Tennis Teams To Play On April 5

Newly organized tennis teams at Pahokee High School will play their first Suncoast Conference games at Fort Pierce on April 5 and will play the Eagles in a return match here on April 12. Invitational matches will be held at

South Broward High School April 29-27 and the Suncoast Conference Tournament will be on May 6.

This is the first year the Pahokee Blue Devils have been represented by tennis teams. The boys team includes Ronnie May, Roy Spooner, Carney Wilder and Jack Thomas. On the girls' team are Myra Baxter, Martha Hall, Mary Hall and Wynell Gillis. Matches

among team members will be held this week to determine who will play first, second and third positions.

Mr. and Mrs. W. S. Hundley left Monday for their home in Kingsland, Kans., after a two-months visit with their son and daughter-in-law, Mr. and Mrs. Lloyd Hundley, in Pahokee.

New FRIGIDAIRE Electric Ranges

THEY COOK FASTER THAN EVER BEFORE!

See the new Radiant tube Cooking Units!

and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning."

Bible passages include the following from Acts: "And at midnight Paul and Silas prayed, and sang praises unto God: and the prisoners heard them. And suddenly there was a great earthquake, . . . and every one's bands were loosed" (Acts 16: 25, 26).

Correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Spiritual sense, contradicting the material senses, involves intuition, hope, faith, understanding, fruition, reality" (298: 13-15).

Leadership Training School Is Announced

The Rev. Earl J. Jones of the Canal Point Methodist Church, announce a Leadership Training School, which will be held for the seven Methodist churches around Lake Okechobee. The school will be under the Leadership of Rev. Jones, who has been fully accredited as Dean for the school. There will be classes for the Primary and Intermediate age groups as well as work with older youth. Dr. W. V. Meredith, of Lakeland, Florida, Conference Executive Sec'y of The Board of Education will teach, as well as Mrs. W. C. White, of Okechobee. The school will be held April 9-11. All classes will convene at 7:45 p. m. in The Pahokee Methodist Church.

Mrs. J. C. Schoepel, Mrs. Ernest Maxwell and Mrs. Lester Hand attended the annual meeting of Parent-Teacher Associations of Region Nine held at the Northwood Baptist Church in West Palm Beach this week.

Christian Science Society

CHURCH OF CHRIST,
SCIENTIST

A change in thinking, from a viewpoint which accepts matter and material things as real to that standpoint which sees the actuality of the things of God, is indicated in the citations comprising the Lesson-Sermon to be read in all Christian Science churches next Sunday. The subject is "REALITY".

The Golden Text is from James (1: 17): "Every good gift and every perfect gift is from above,

Intermediate Class Has Picnic Party

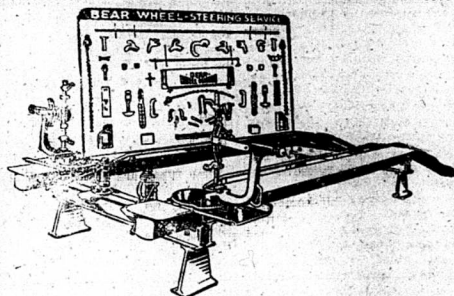

Members of the Intermediate Class of the Canal Point Methodist Sunday school enjoyed a picnic and party at the Sunday school building Thursday evening of last week, with the class teacher, Mrs. Earl J. Jones, and her assistant, Miss Dorothy Kinney, acting as hostesses.

Joe Parker led the group in the playing of games. Refreshments were served by Miss Dorothy Kinney and Miss Donna Lee Upthegrove.

Miss Baxter Receives Cap In Ceremony

Miss Clara Baxter of Pahokee, who entered Jackson Memorial Hospital School of Nursing September 1950, has finished her pre-clinical period. She received her cap at a candle-light ceremony held Friday, March 23rd at the Central Baptist Church in Miami.

Members of her family and many friends attended the services. Miss Baxter has also been chosen by her classmates to represent them on the Student Council.

Come to Church

The churches of the Everglades extend a warm welcome to every person to attend church on Sunday. You'll get a deep satisfaction out of attending the church of your choice. You'll personally enjoy the wonderful messages of faith which are in store for you during this good year ahead. Today, make a resolution that one hour out of the week's 168 will be devoted to church services. Can you do less? Watch the columns of The Everglades News for church announcements weekly. The Lake Region is blessed with a group of fine churches. Your attendance will make the work of these churches more successful.

FP&L To Install Powerful Generator

The most powerful electric generator ever installed in Florida will be added soon to the Cutler plant of Florida Power & Light Company, according to an announcement by McGregor Smith, company president.

Capable of producing 75,000 kilowatts, it can supply the needs of a community of more than a quarter of a million people.

"Although the plant is barely dry on our new Cutler plant, completed in 1949, we plan to practically triple its capacity because we are confident of Florida's continued growth," Smith declared.

"The combination of Florida's wonderful climate and her expanding industrial, agricultural and business opportunities, were responsible for its 46 per cent population increase during the past 10 years. Economic and engineering studies enabled us to plan ahead to meet this growth. Since V-J Day we have built three new plants and enlarged four others, more than doubling our system's generating capability," he added. "Last year the company completed an addition to its Sarasota plant, a new plant at Palatka will be completed this fall, and the Cutler addition is scheduled for operation late in 1952."

"We have another big 75,000-kilowatt generator on order for 1953," Smith continued, "are confident it will be needed, come peace or war. The trend of population growth on our system will determine where it can best be used. This means that by 1953 we will have trebled our system capability as of V-J Day."

Florida Power & Light Company's \$108,000,000 post war expansion program includes plans for a \$1,000,000 outlay in 1951.

With addition of the new unit, the company's Cutler plant will become the most powerful in Florida—total 155,000 kilowatts.

Attractively landscaped and beautified, with its lovely spherical water tower and smokestack disguised as a lighthouse, it is thought to be the most beautiful power plant in existence. LeCorbusier, eminent European architect, termed it "an outstanding example of esthetic expression in engineering."

State C of C Health And Safety Division Is Reactivated

JACKSONVILLE — The reactivated Safety and Health Division of the Florida State Chamber of Commerce, headed by Walter L. Hays, of Orlando, will work toward the development of a united civilian defense program during the period of the national emergency, will support state and local officials in stopping traffic violations and work as closely as possible with the Governor's Safety Program.

It encourages the acceptance of the program of the State Tuberculosis Board for the employment of rehabilitated patients and the division recommends that \$200,000 in federal funds be made available to the U. S. Public Health Service for additional mosquito research.

The division also recommends the establishment of hurricane warning service at Tampa and Pensacola for the benefit of the West Coast area.

Rotary Club Secures Two New Members

The Pahokee Rotary Club has an increase in membership by two since C. R. Wetherington came into the club last week and Roy Vandegrift was welcomed into Rotary fellowship yesterday. Rotary Vandegrift is a former Rotarian and was warmly welcomed back into the club at yesterday's meeting.

Mr. and Mrs. H. J. Anderson had 36 guests over the weekend Mr. and Mrs. Leslie Mosley of Portland, Me.

Frank O'Connell Is New Exalter Ruler Of Pahokee Lodge

Frank O'Connell was recently elected exalted ruler of the Pahokee BPOE Lodge No. 1635, succeeding James W. Vann who has held the lodge's highest office for the past two years.

Other officers chosen for the coming year, were J. W. Mullis, esteemed leading knight; E. D. Sims, Jr., esteemed loyal knight; J. A. Lavender, esteemed lecturing knight; Ernest Lindrose, tiler; E. A. Jensen, secretary; Thadd Whiddle, treasurer; James W. Vann, trustee and alternate delegate to the Grand Lodge.

Miss Jeanne Cruthird Honored At Party

Mrs. Lewis Friend and Mrs. Gordon Hillier entertained recently at the Woman's Club with a party and miscellaneous shower in compliment of Mrs. Friend's niece, Miss Jeanne Cruthird, bride-elect of Harold A. Johnson.

Contest prizes were won by Mrs. C. Cruthird and Mrs. John Burton. Mrs. L. M. Collins played piano selections. Many lovely gifts were received by the honoree.

Tourists May Have Last Fling This Year

TAMPA—Florida resort spots, enjoying a good winter season, are looking forward to an equally promising summer season.

Many resort spots are making plans to remain open all summer and are investing in advertising and promotion plans to attract summer visitors.

With prospects of higher taxes and probably rationing of tires, gas and other materials, the public is taking advantage of the present opportunity to travel while they still are able to do so.

People feel that if they can get in one more outing before things tighten up they better do so, and advance summer reservations are already being received by hotels in beach resorts on both the East and West Coast.

No travel restrictions of any kind have been established yet, and with no immediate rationing of tires and gasoline, there is nothing to prevent tourists traveling who wish to do so.

Speaking before the recent meeting of the Florida Publicity and Public Relations Association held at Cypress Gardens in Winter Haven last week, state representative S. Travis Phillips, of Brooksville, urged that there be no let up in state advertising in view of the competition Florida must face other areas, and he proposed that the budget for state advertising be stepped up to provide an annual budget of \$875,000.

Utility Board May Bring About Fight

TALLAHASSEE—While politicians holding lucrative jobs on local utility boards will oppose the establishment of a State Utility Board or any attempt to place regulation of all public utilities under the Florida State Railroad and Public Utilities Commission, the public generally favors such a move.

Tampans have complained for years about excessive salaries paid to members of the Tampa Utility Board and would look with genuine favor on its abolishment as a relief to the taxpayers.

It is expected that several bills will be introduced in the coming legislature to place all public utilities under one State Board and eliminating the costly local boards in the various counties.

Two years ago a bill by Henry S. Baynard, of St. Petersburg, passed the senate and was approved by a house committee. It reached the floor, but was sent back to another committee and never out again.

Marine Recruiting Quota Is Largest Since World War II

JACKSONVILLE — The March Marine recruiting quota for Florida is the largest since World War II, Capt. J. J. Reardon, State Marine recruiting officer, announced recently.

"Our quota for this month has been increased nearly 100 per cent," the captain said, "and let me emphasize that it is a minimum and not a maximum quota."

Reardon explained that the Marine Corps recruiting service has no maximum quota.

He stressed, too, that the Marines are not lowering their standards to obtain this new high quota. The captain believes that there are enough young Floridians interested in the Corps to make this quota obtainable.

"The main thing that might handicap us in making our quota is the false belief held by many that Marine Corps standards are so high that the average guy doesn't stand a chance of getting in," Reardon said, "whereas, actually he doesn't have to be a superman to qualify for enlistment."

Marine Corps recruiting stations are open six days a week in the post offices in Daytona Beach, Jacksonville, Miami, Ocala, Tallahassee, Tampa, West Palm Beach and Gainesville, and in the Old Post Office Building, Orlando, and the Municipal Building, St. Petersburg.

Personal

Mrs. H. J. Clause and grandson, Jack Stanley, spent the Easter holidays with her son-in-law and daughter, Mr. and Mrs. Harris Folds, in Sanford.

Lt. H. Lee Simmons, head of the Florida Highway Patrol district office in Pahokee, is attending a training school of civilian defense in Gainesville this week.

Mr. and Mrs. Duncan Padgett had as guests Sunday their son and daughter-in-law, Mr. and Mrs. Donald Padgett and daughter of Okechohatchee.

Rev. and Mrs. Earl J. Jones had as guests last week her brother-in-law and sister, Mr. and Mrs. Robert H. Moore and daughter, Ann, of Albion, N. Y.

Mrs. H. L. Simmons and children are spending the weekend in St. Cloud visiting her mother, Mrs. Ova Baker.

Mrs. B. W. Wood of Canal Point visited her son and daughter-in-law, Mr. and Mrs. J. W. Wood, in Miami over the weekend.

W. P. Walker spent the Easter holidays with his son-in-law and daughter, Mr. and Mrs. W. F. Weathers, and family in Miami.

Mr. and Mrs. H. J. Clause had as a guest the past week their daughter, Mrs. John Strickland, of Waynesboro, Ga.

Mr. and Mrs. E. J. Newsome and family of Lake Worth spent Sunday visiting her mother, Mrs. A. B. Gray, and other relatives here.

Mr. and Mrs. J. C. Phillips of Wauchula spent Sunday here visiting their son, Jack Phillips, and daughters, Mrs. Johnnie Davis and Mrs. Paul Sasser, and families.

Johnny Rogers spent the Easter holidays with his grandmother, Mrs. A. F. Rogers, and aunt, Mrs. Nellie Woods, in Fort Pierce.

Slater Brewton, student at the University of Miami, spent the Easter holidays here with his parents, Mr. and Mrs. W. H. Brewton.

Mr. and Mrs. Ed Canady, parents of Mrs. R. Long, will leave today for their home in Indiana after spending the season in Lake Worth and Pahokee.

Mrs. Fanny Todd is ill at her home in Canal Point this week.

Work was received in Canal Point this week by Mrs. Osoola Florengue that her mother, Mrs. Florence Cummings, had undergone a successful operation in a hospital in her home town of Concord, N. H.

Miss Tinky Hull In Year Book Beauty Section At Southern

Miss Walta Nell (Tinky) Hull, daughter of Mr. and Mrs. Walter G. Hull of Pahokee, has been chosen for the beauty section of the 1951 issue of "Interlachen," year book for Florida Southern College, Lakeland.

Miss Hull, who is in her Junior year at Florida Southern and is majoring in French, is president of the Delta Zeta Sorority and was selected as "Dream Girl" of the Pi Kappa Alpha Fraternity. She graduated from Pahokee High School in 1948.

Carney Wilder Is President Of Club

Carney Wilder was elected president of the Letterman's Club of Pahokee High School at a meeting Tuesday. Other officers chosen for the coming year were Alfred Meeks, vice president; Jack Boland, secretary and Buddy Hewell, treasurer.

The club completed plans for the dance it is sponsoring in the Elks Hall Saturday night, Mar. 31. Music will be furnished by Robert O. Lampi and his Swing Band.

Art Centre May Be Located In Florida

BOCA RATON—"A National Arts Foundation Creative Centre may be located in Florida before the year is out," Carleton Smith, president of the National Arts Foundation, told Mrs. William Randolph Hearst, a sponsor for the Art Exhibit by the Boca Raton Art Guild, and Mrs. J. Myer Schine, its honorary president. The show will continue through Wednesday and is attracting many noted personalities in the art world.

"Florida has many natural advantages for an art centre," he said: "its climate, its easy accessibility to the eastern centres of culture and the growing interest shown by Floridians and the winter visitors who seem to have more time to devote to it."

"Centres are already located in New York, Illinois and Texas, and they cover several fields of art, music, painting, literature, sculpture and architecture. The centre serves to bring to the state the leading artists both in the United States and Europe, who would work with talented students there on a scholarship basis, resulting in the fostering of creative talent which otherwise might be lost to the world," he explained.

"Offers of land and buildings for such a centre in Florida have already been received and it is now a question of the best location for its purpose. The Foundation will announce its choice soon."

Produce Managers Meeting In Miami

JACKSONVILLE — The National Association of Produce Market Managers convenes this week in Miami for a three-day meeting, beginning March 29 through 31. Market Managers from throughout the United States are gathering for this conference at an opportune time for discussing problems facing those who have the responsibility of marketing fresh farm produce. Don G. Enans, Manager of the Dade County Growers Cooperative Marketing Association of Miami, and President of the National Association, has arranged a three-day program which includes tours of Florida Markets and vegetable producing areas. Managers of all types of vegetable markets in Florida are urged to take part in this meeting which is to be held at the McAllister Hotel, according to William L. Wilson, Director of State Markets, in his weekly market review.

Mr. and Mrs. Lloyd Hundt had as dinner guests Sunday Mr. and Mrs. Dennis L. Friend and daughter, Jean, of Indiantown.

Fla. Is Famous For Training Ground

MIAMI — Florida's fame as a training ground for Kentucky Derby hopefuls was further emphasized this week when a check of the list of 122 eligibles revealed that 45 either raced or trained at Hialeah this winter. Included on the list of owners are three Floridians.

Fred W. Hooper of Coral Gables and Jacksonville—with Hoop, Jr. in 1945—is the only Floridian ever to win America's most famous horse race. This time Hooper has named two—Hellowise and Jet Fleet. Hellowise won two races at Hialeah during its recent meeting but Jet Fleet, considered by many to be the better prospect, has done all of his winter running on the training track.

Saxony, belonging to William R. Leach of Miami, and Ocala, is another who has used Hialeah as a training ground. The colt has been lightly raced and will be given an opportunity to prove his worth in several preliminary tests.

Florida thoroughbred breeders will be interested in C. A. O'Neill, Jr.'s Air Pak, only Florida-bred named for the event. If the youngster gets to the post he will be the first native Florida horse to run in the Kentucky classic.

Two of the early Derby favorites—George D. Widener's Battledore and J. J. Colando's Uncle Mittie—were both wintered in Florida. Battledore, leading juvenile of 1950, is using Hialeah as his training ground and Uncle Mittie is stable at Tropical.

Since Yidiz, the Flamingo winner, was not named for the Derby much of the interest has been centered on Mrs. W. Gilroy's Timely Reward, the runnerup, and W. M. Peavey's Anybodytime, the third horse. Both are now prepping at Hialeah.

Brookmeade Stable, leading money winner of 1950, trained four horses here for the event. The stable is pinning its hope on Bold, Oats, Safety and Steadfast.

Citrus Shippers Do Not Observe Quotas

LAKELAND—Lacy Thomas, of Groveland, president of Florida Citrus Mutual, said this week that he was disappointed over the failure of some shippers to observe their quotas.

"We are trying to keep faith with the trade," he stated, "but when sellers overship they weaken our position."

For the past three weeks the industry cooperative has set shipping quotas to try and prevent over supplying the market and avoid a break in prices.

Mutual also turned down a strong demand for higher minimum prices as a means of halting tumbling prices on fruit for juice.

Personal Items

James Edward Riffey, son of Mr. and Mrs. E. L. Riffey has reported to Chicago, Ill., for service with the Army Air Corp after spending a brief leave with his parents in Canal Point. Mr. and Mrs. Riffey have another son, Truman, who is now seeing action in Korea.

Mr. and Mrs. Mike Retuerne of Belle Glade announce the birth of a daughter, Mary Maria, at the Everglades Memorial Hospital Mar. 22.

Mr. and Mrs. Austin Staples of Coral Gables are guests this week of his brother-in-law and sister, Mr. and Mrs. H. J. Anderson.

Dr. and Mrs. R. R. Long are attending a Dentists Convention in Atlanta, Ga. this week.

C. C. Cruthird and Rev. Ralph W. Todd, accompanied by Mr. Cruthird's mother, Mrs. J. B. Cruthird, were visitors in Tampa Tuesday.

Miamians now have a new air service to the middle west with the inauguration of direct flights from International airport to Pittsburgh, Cleveland and Detroit by National Airlines and Capital Airlines.

TB Specialist Will —

(Continued from page 1)
facts about the change in tuberculosis from a disease of youth to one of older age groups. This change is especially significant to us, said Knight, because statistics show that daily more and more older people are settling in Florida.

This change in the amount of TB found in youth and older people and its effect on research in tuberculosis will be discussed at the medical section, which meets April 6. Medical sections of the Conference are staged by the Florida Trudeau Society Florida Branch of the American Trudeau Society, which holds its annual meeting in conjunction with FTHA.

Pvt. Oscar Dobrow Is Completing His 14 Weeks Training

Pvt. Oscar Dobrow, son of Mr. and Mrs. Abe Dobrow, Pahokee, Fla., is completing his 14-weeks training with Co. "B", 28th Infantry, of the famed 8th Infantry (Golden Arrow) Division, stationed at Fort Jackson, S. C.

Prior to his induction Dec. 12, 1950 in Miami, Fla., Pvt. Dobrow attended Pahokee High School and was a motion picture exhibitor with the Gold-Dobrow Theaters, with headquarters in Pahokee.

He is a member of the Rotary Club and Elks Lodge, 1638, of Pahokee.

Upon completion of his six weeks basic and eight weeks infantry branch training, Pvt. Dobrow will have fired all light infantry weapons, undergone intensive physical training and studied and participated in several squad and platoon tactics.

Christian Service Group Hears House Speaker B. Elliott

Rep. B. Elliott, new speaker of the Florida House of Representatives, was guest speaker at a meeting of the Pahokee First Methodist Woman's Society of Christian Service in the church Monday afternoon.

Introduced by Mrs. Jack Phillips, the speaker gave a talk on "Pending Legislation."

Mrs. Ruth V. Meredith was re-elected president of the society of annual election of new officers. Other officers chosen for the coming year were Mrs. E. J. Graham, vice president; Mrs. Ernest Maxwell, recording secretary; Mrs. R. F. Hurt, treasurer; Mrs. John A. Dulany, spirited life secretary; Mrs. R. J. Schroder, secretary of Christian social relations and local work; Mrs. Arch Blakey, status of women secretary; Mrs. M. I. Keen, student work secretary; Mrs. Leon Spooner, youth work

secretary; Mrs. L. L. Shirley, supplies secretary; Mrs. Jack Spencer, children's work secretary; Mrs. Howard Holman, literature and publication secretary.

It was reported at the meeting that the society cleared \$130 from its cook book project. It was announced the Miriam Circle will sponsor a benefit rummage sale Saturday, with Mrs. C. A. Canipe, Mrs. Leon Spooner and Mrs. Melvin Spooner in charge of the collection of clothing for the sale. Plans were made for a special pledge service at the May meeting. It was reported the Pahokee WSCS has received a certificate crediting the society with the special jurisdictional recognition class recently conducted by Mrs. J. R. York.

The group responded to a call from the American Red Cross for blood donors, with officers of the individual circles asked to make arrangements with circle members for donations to the blood bank.

Mrs. Nan Cunningham returned Wednesday from a visit with friends in Jacksonville.

March Of Dimes In Pahokee Nets \$397.13

The March of Dimes campaign for polio relief has been completed in the Pahokee area under the sponsorship of the Pahokee Woman's Club, with a total of \$397.13 collected during the drive.

Mrs. Leon Spooner, general chairman in charge of the drive, reported collections of \$190.03 at the local theaters and \$207.10 from business firms and other sources.

Jack Major Pledged To Honorary Group

Jack Major, son of Mr. and Mrs. C. A. Major of Pahokee, has been pledged to the Mu Beta Psi, honorary music fraternity, at Clemson College, Clemson, S. C., where he is a member of the Sophomore Class and plays in the Clemson College Band. Each year the fraternity honors one Clemson sophomore with a membership bid and this year the honor went to Jack.

"We've driven our 5 Dodge cars over a million miles"

Says GEORGE GILL, Taxicab Fleet Operator, Red Bank, New Jersey

"When five standard Dodge sedans cover a million miles you begin to realize what Dodge dependability means. Four of our Dodges are still going strong. One, after 400,000 miles, was finally retired from service. All those miles were safe, dependable, comfortable miles for our passengers—amazingly economical and trouble-free miles for us."

Specifications and equipment subject to change without notice.

Depend on it! This great new Dodge will see you thru the long pull ahead!

IN TIMES like these, it pays to own a car you know is engineered through and through to stand up better, serve you longer at lower cost.

That's why we suggest you drive the car whose reputation for dependability... for long-life, ruggedness and stamina is recognized the world over.

LONGER BRAKE LIFE! Big Safe-Guard Hydraulic Brakes stop you smoothly, softly, safely. Easier on you. Easier on tires. Cyclebond linings last up to twice as long.

DEFIES ALL WEATHER! Water-tight, dust-tight sealing keeps you snug and dry... the engine purring. Body is insulated against heat in summer... cold in winter.

Styled to the minute, extra roomy with wonderful new "watchtower" visibility, more comfortable to ride in, easy to park and handle—this year's great new Dodge is the car to see you through the long pull ahead.

Spend 5 Minutes With Us

Come in today. Five minutes is all it takes to check and compare... to learn how much more Dodge dependability can mean to you. We'll be glad to show how you could pay up to \$1,000 more for a car and still not get all the extra room, ease of handling and rugged dependability of today's big Dodge.
